

Dear Jacoby Creek Fourth Grader,

Both Ms. Jackson in Room 11 and Mrs. Walsh in Room 9 are looking forward to the next school year! We hope you enjoy your summer and we can't wait to hear about all of your adventures in the fall.

**Below is a list of supplies we would like you to have for school.**

You will need a backpack or book bag for fourth grade. The big backpacks are hard to store and, since space is at a premium in both classrooms, it is especially hard to deal with giant backpacks! Rolling backpacks are also hard to accommodate. We will make a real effort to NOT send the heavy textbooks home on a regular basis.

- \_\_\_ Backpack or Book Bag
- \_\_\_ Binder - **1 inch max-** due to limited desk space - **please no pockets or zippers**
- \_\_\_ Wide-ruled binder paper - put about 20 sheets in your binder and leave the rest at home to refill your binder at homework time
- \_\_\_ 5 tabbed dividers - we will label them in class
- \_\_\_ 2-3 different light colored highlighters- avoid dark colors like purple (they hide instead of highlight). Yellow, pink, and green are the most useful colors.
- \_\_\_ 6 sharpened pencils- please get in the habit of bringing 2 to school every day! **NO MECHANICAL PENCILS**
- \_\_\_ A small pencil box (**the larger 5 x 9 inch containers are too big**)
- \_\_\_ Earbuds for computer time (in a small container if possible)
- \_\_\_ A mini-stapler and small Post-Its (for marking pages) are helpful but not required

Remember to keep reading all summer and keep practicing your multiplication facts!

Mrs. Walsh and Ms. Jackson
